PRO ACCOUNT PRICE LIST

IDEAL FOR HIGHER VOLUME USERS

Designed for higher volume users, our “Pro Account” is ideal for clients that will place orders on a regular daily basis and don’t have easy access to company credit or debit cards. The cost of all services is reduced based on volume, any orders placed are collated each calendar month and invoiced at the beginning of each month for the previous months work. There are various easy to use automated payment options including Direct Debit and Continuous Payment Authority in addition to manual BACS and Credit Card payment options.
